

# AHERA NOTIFICATION

## EAST WASHINGTON SCHOOL CORPORATION

Under the Asbestos Hazard Emergency Response Act (AHERA) of 1986, East Washington School Corporation are required to annually notify all school building employees, building occupants or their legal guardians, of the availability and location of the Asbestos Management Plans and of any post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress.

In the past year, the AHERA related activities conducted have been the Periodic/6-Month Surveillance and the AHERA Mandated 3-Year Re-inspection to maintain current information on the condition of materials in our buildings and response actions for maintenance, renovation and demolition of affected buildings. The AHERA 3-Year Re-inspection was conducted by ASTESCO, Inc. an independent firm. The reports for these activities are available at the Administrative Office.

In the coming year, the planned activities under the AHERA Standard are routine maintenance of building materials and the AHERA Periodic/6-Month Surveillance of all building materials. Maintenance and renovation response actions will be conducted as needed to maintain materials in an acceptable state.

The AHERA Management Plans are available for public review at the Administration Office during normal working hours. A reasonable charge will be made for requested copies of the Management Plan(s).
