Winter weather.. based on my folklore.

A cold and snowy winter ahead.1st snow should be around the week of Nov.28.Also look for some kind of precipitation. Dec.1st and 2nd..and the week of Dec.22nd.This will be a wet winter.. especially Jan. and Feb.

Hang on to your hats and expect a lot of cold.. very cold nights and days. The winter will be long and rough. Stock up now on wood, gas for generators, ice shoes, and food. Better safe then sorry. Plan ahead and don't wait until the last minute. Once the temps start to drop.. winter is here and there's no turning back until spring time. Be

safe, stay warm and take
care...:)

The EWMS Kids Club would like to thank everyone who helped with the Thanksgiving food drive. With your help, we were able to provide Thanksgiving boxes to 21 families.

We would also like to ask for your help with the EWMS Kids Club angel tree. We provide Christmas gifts and stocking stuffers to students throughout our school system who need our assistance. We are in need of personal hygiene items (brushes, deodorant, toothbrush/toothpaste), small toys/gifts, coloring books, crayons, candy, etc. We will use the gift items to help fill stockings for the students on our list. Once again, thanks so much for all you do. We deeply appreciate it.
